

M&E in the OECS Region

May 2021

Our New Attitude Towards M&E

“Regardless of the successes or failures, M&E is relevant and should always be implemented if we want the best possible results”

Institutionalising the M&E Mindset

**Support better planning
and decision making**

**Support learning
and Exchange**

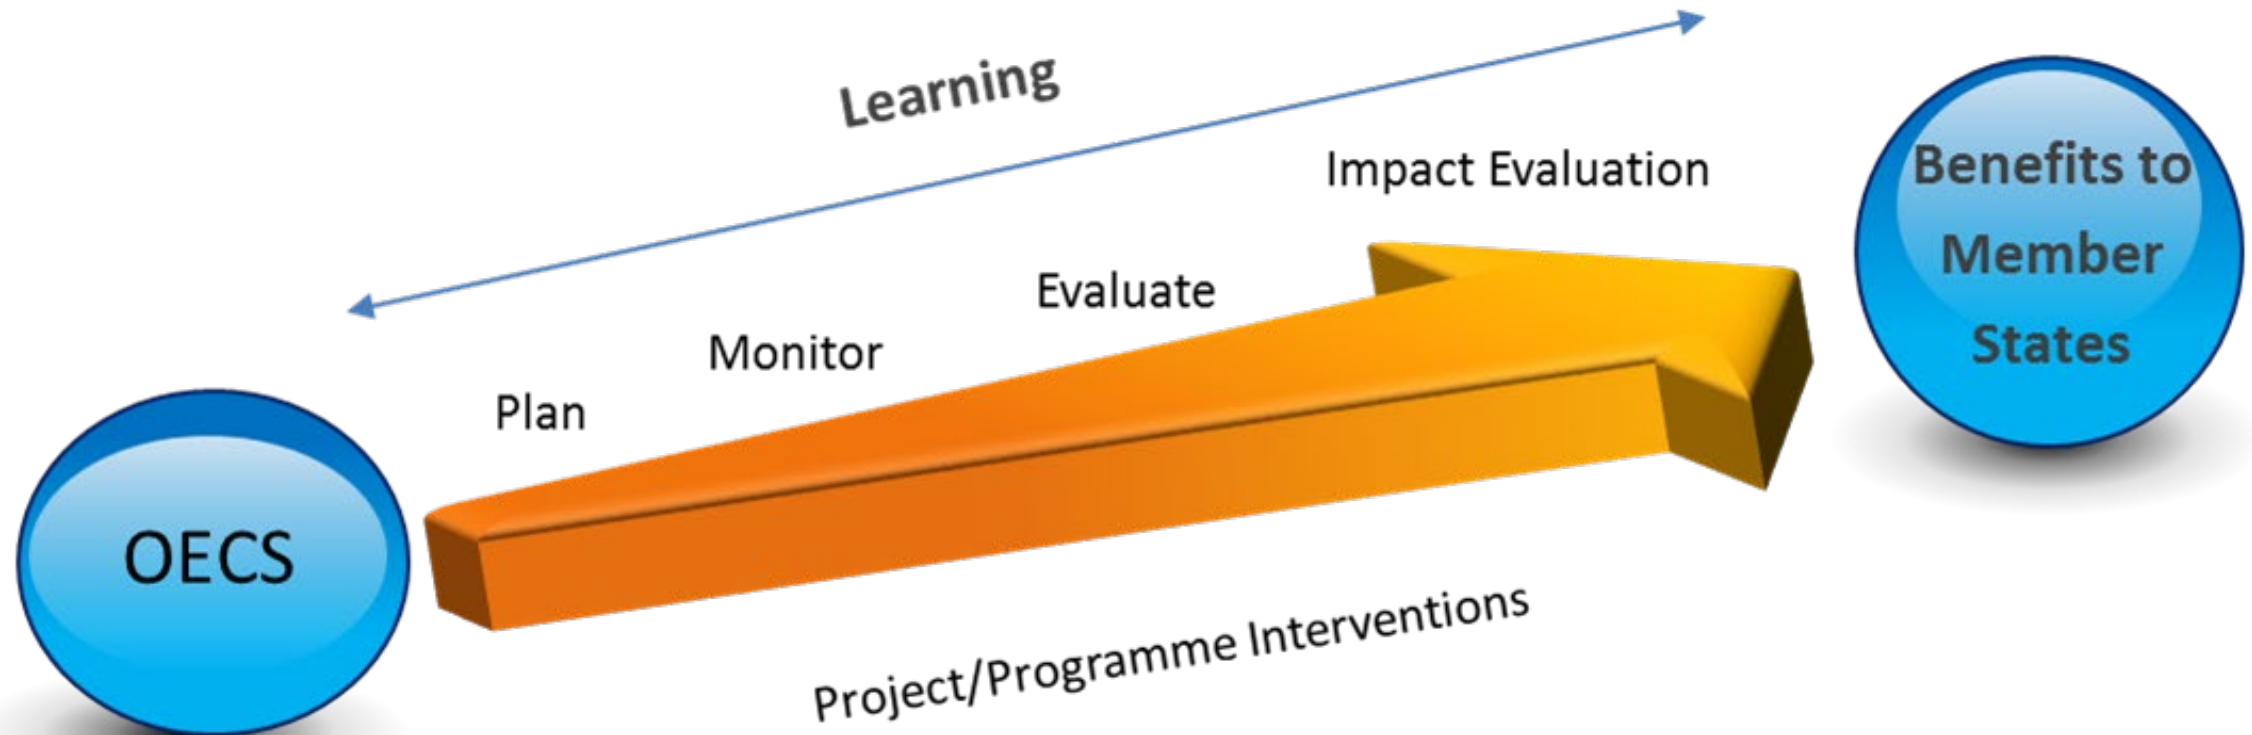

**Provide accountability to
funders and citizens**

**Gather information
for reporting**

M&E in our “Evolved” Environment

- OECS Commission as a Model
- Regional/ National Level Policies
- Sensitisation/Training/Hand-holding
- Standardised Tools and Systems
- Influence
- Technology

Thank You!

We implemented the same program in two locations. For some reason, we had very different results.
